

## RCJYZ Standoff Insulator M3

### Series: M3

Insulation material using flame retardant (UL94V-0) high strength, excellent electrical properties of plastic;

There are three types of copper, aluminum and steel inserts to choose from;

Used in power supply or cabinet to play the role of insulation and support for live parts;

Insulation resistance greater than 500MΩ;

Working temperature: -30 °C ~ 120 °C

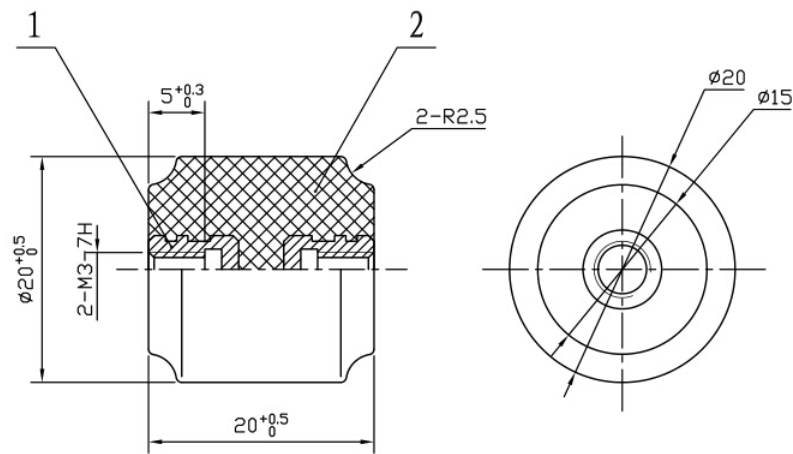

According to customer requirements assembly screw;

Can be customized according to customer requirements of different colors;

Customers can request a variety of customized products.
